Dinner Bed & Breakfast Package

- Includes continental & cooked breakfast, aperitifs, and trust-the-chef menu.
- Dietaries must be advised in advance – ask guests to tell us what they would tell a friend who has invited them to a dinner party. Please differentiate between Vegetarian and Pescatarian as many of our menus are fish based.
- Guests usually dine ‘dinner-party-style’, but a private table in the dining area or outside can be requested (subject to availability).
- Guests in Bush Lodges or Bush Chalets can request (before 9am) a 2-course dinner [an extra-large salad platter / BBQ ingredients & salad] to eat in their suite if they do not want lodge-style dining every night. Ideal for honeymooners. Guests expecting to arrive after 7pm should request this in advance for their arrival night as we have a single sitting of dinner at 7:30pm.
- Guests in Bush Lodges and Bush Chalets have breakfast provisions, including free-range eggs, ham and cheese in their suite. Guests in Ensuite Lodge Rooms have a dedicated breakfast room with continental buffet. All guests can partake in a cooked breakfast at the Lodge between 8-9am.
